About Me

M A R Y N E G R O T T O

Most days you can find me working from home with a smile on my face. I am a wife to my husband, Jeremy Cooker, and mother to our son, Nicolas – I love bragging about them! I am a producer, writer, creative director, and someone who is always looking for a laugh. We only have one life, and I believe in making it count. I love taking care of my son, listening to audio books, and working on creative projects.

My style? It's high end, but laid back. I want you to feel welcome to come as you are and have some fun while you're at it! My job is to get you where you need to be and feel amazing about it. Getting up every day and doing what I love makes me come alive. I hope you'll find my enthusiasm infectious as we embark on this journey together.
